

## **You are cordially invited to participate in the year's most important conference on transfer of ownership in private businesses.**

Transfer of ownership is a hot topic. One third of all private businesses, providing a total of 2.8 million jobs, are facing a transfer of ownership within the EU in the next 5-10 years.

The Transfer of Ownership in Private Business – European Experiences Conference to be held in Stockholm 25th-26th March 2010 will provide a unique opportunity to learn more about and discuss this multifaceted subject with researchers, business owners, policymakers and advisers from all over Europe. The broad range of speakers will share their diverse perspectives on the myriad challenges and questions of transfer of ownership. We look forward to seeing you.
